FARSHA HIRES SPANISH SPEAKING HEALTH & SAFETY CONSULTANT

GREGORIO LOPEZ

FARSHA is pleased to announce that we have hired a new member to our team. Fluent in Spanish, Gregorio (Greg) Lopez, will assist employers with their Spanish speaking workers in all areas of occupational health and safety. This appointment is a 5 month full-time term position, May 1st to October 1st. Greg will perform health and safety related activities on site, such as new worker orientation, and basic health and safety awareness and training. Greg will also assist our Agricultural Health and Safety Specialist with more in-depth training, such as forklift.

Greg can also assist with the many Spanish health and safety resources FARSHA has available, now.

To arrange for orientations and training, please contact FARSHA at 604-881-6078 or toll free at 1-877-533-1789.
